- School holiday programme
- Workshops

Why choose SRA?

- NZQA accredited – this means the qualification you achieve from SRA is well-recognised in the industry.
- Student loans available and Fees Free applicable.
- SRA in an institution that specialises in teaching makeup. Our specialised and intensive programmes we offer will unleash your creativity and help you acquire the skills and techniques to become an industry professional.
- Industry-expert tutors - our team of tutors are drawn straight from industry and pass on their passion, creativity, skills and insights to you.
- Work experience opportunities - while studying at SRA, we seek to offer students work-experience opportunities to gain real-life experience of the industry while also building their network of professional contacts.
- We care! As a small provider we know and care for our students individually and will support you every step of the way.
